## OUR TOOLS.

We can supply a wide range of pitchmark repair tools, ball-markers and bag accessories. Our award winning range contains different style tools, all available in a wide range of colours and featuring a removable, magnetic ballmarker which can be branded with your logo.

Additionally we have the Multimarker chip and Hatclip, both popular items offering a convenient way to carry a ball-marker on the course and a great gift for promoting a logo.

## THE PERFECT GOLF GIFTS.

Our gift tins can be created to contain any combination from our range of tools and accessories, to suit any budget and any occasion.

Choose your tool, your color, your branding and we'll supply the correct packaging for your gift.

A great way to put your logo in the hands of VIP's and customers, or to show multiple partner brands together in a single pack.

# AND NOT FORGETTING THE AMAZING AQUABRUSH.

The most innovative club-brush in golf - a new essential accessory for any golf bag!

With the new Aquabrush we have managed to combine the functional benefits of a hard wearing club-brush, with an integrated water spray to help loosen heavy debris from the club face, all in a compact and stylish body, that can be attached to your bag with the branded cap and cord.

An ideal new gift for any golfer, and a perfect reminder to maintain clean clubs too!

**EASY BRUSHING**

**CONVENIENT BAG CORD**

**REFILLABLE WATER SPRAY**

**MOISTEN HEAVY DIRT**

## PLUS HAVE YOU HEARD ABOUT PICKCUP & PICKUP PROMO.

We've worked closely with the teams who administer the laws of golf based at the USGA and R&A to ensure our ball retrieval system is ruled to conform to the laws of golf. Legal for use in tournament and competition golf.

Ball retrieval systems have become an invaluable asset to allow golf to be played during Covid-19 and PickCup can be adjusted to create hole depths to avoid contact with the flagstick.

The Pickup Promo edition also enables exclusive in-hole branding, ideal for event sponsors.

**SPEED UP PLAY BY LEAVING THE FLAGSTICK IN THE HOLE**

**USE TO MAKE SHALLOW COVID-SAFE HOLES**

**A PROFESSIONAL & LEGAL BALL RETRIEVAL SOLUTION**

**PROMO VERSION AVAILABLE FOR IN-HOLE SPONSORSHIP**

# AND FINALLY, HAVE YOU SEEN THE GREENKEEPER PRO.

A long handled repair tool, designed to help speed up time spent repairing ball-marks by greenkeeping teams!

Tested and developed with Professional Greenskeepers, our unique tool is a step-change in how to help preserve green conditions and a great way to show support for greens maintenance teams.

**TOUGH, STEEL CONSTRUCTION**

**UNIQUE, LONG-HANDLED DESIGN**

**PATENTED, REPAIRTEC™ MECHANISM**

**3 MODELS FOR DIFFERENT COURSE CONDITIONS**
